

Art No. PA0090

750W PC Power Supply

Features:

80 Plus Gold Certification

With 87%~90% extreme high efficiency at 20%~100% of load to reduce the loss of electricity and save your money on facility bill.

Silent Fan

Whisper quiet 13.5 cm fan brings more airflow volume with less noise than convention.

Smart Fan Control

Equipped with "Smart Fan Control" design, which offers two types of operation modes, silent mode and cooling mode. The Astro adjusts fan operation mode automatically according to the system loading as well as the ambient temperature level.

Single +12V Output Rail

Offers maximum compatibility for the +12V demand.

Reliable Japanese-Made Main Capacitors

Longer lifespan than electrolytic capacitors.

Reliable Solid-State Capacitors

Enhance your system durability and stability even under extreme conditions.

Long Cable Length

Long cables support the cable management behind motherboard.

Patented Easy Swap Connector

Quick and easy installation.
